<u>MEASURE'S PURPOSE</u>: The purpose of the measure is to exempt any veteran-owned business that is initiated after August 1, 2016 from paying various filing fees to the Office of the Secretary of State.

PROVISIONS/MECHANICS:

Section 1 amends KRS 14A.1-070 to include the definition of "Veteran" and "Veteran-owned business."

Section 2 creates a new section of subchapter 2 of KRS Chapter 14A to exempt any veteranowned business that is initiated after August 1, 2016 from paying various filing fees to the Office of the Secretary of State.

Section 3 amends KRS 14A.2-060 to exempt a veteran-owned business that is initiated after August 1, 2016 from paying the fee for filing an annual report or amendment to the annual report for the first four years after its initial registration. The business is not exempt from any filing requirement or deadline for filing an annual report.

<u>FISCAL EXPLANATION</u>: The agency's revenues will decrease due to the exemption of various filing fee requirements for veteran-owned businesses. However, the Office of the Secretary of State has stated they will be able to absorb any fiscal impact resulting from waiving fees outlined in SB92.
